Case No. S-0423-1

Decision No. 2007-083

ORDER ON MOTION TO CONTINUE

On June 6, 2007 the State filed an assented to motion to continue on account of ongoing settlement discussions and recent facts which have come to the attention of the parties. Presumably this reference is to information which was the subject of some discussion at the pre-hearing conference. Anticipating that in fact this matter will ultimately resolve by agreement based on the parties' representations, the motion to continue is granted. There will be no further proceedings scheduled in this case for the next 60 days. At the end of 60 days this matter will be administratively dismissed with prejudice unless, before the expiration of the 60-day period, the PELRB receives a request to schedule a further hearing based upon the parties' failure to resolve the matter by agreement. In the event a further hearing is scheduled it is anticipated that no additional continuances will be allowed.

So ordered.
